SAVE THE DATE

BIOSPAIN
24-26 SEPTEMBER
SANTIAGO DE COMPOSTELA

The UK Trade & Investment team in Spain is collaborating closely with BioPartner UK and ASEBIO, (the Spanish Biotech Industry Association) to offer UK companies the opportunity to maximise their time at BIOSPAIN in Santiago de Compostela.

UKTI Offers British Companies the opportunity to:

Attend a networking reception with key Spanish contacts hosted by the Director of UKTI Iberia

Attend a high level dinner co-hosted by the British Ambassador to Spain.

Be part of the UK delegation with access to UKTI Commercial Officers throughout the conference.

WHO SHOULD ATTEND

Organisations who offer services and products for the Biotechnology Sector including CROs, diagnostics services, innovative companies involved in drug discovery, pharmaceutical companies interested in identifying possible R&D collaborations etc.

Why you should attend

The Spanish Biotechnology sector is vibrant and continues to boast high growth. BIOSPAIN is the single most important event in this sector in Spain.

- Excellent partnering meetings and networking opportunities
- International delegations including strong presence from Latin America.

- 1850 delegates from 25 countries took part in Biospain 2012.
