

Invitation

5th November 2013

07:30 am

The British Embassy, Bio-Partner and UK Trade & Investment (Venture Capital Unit and London region) would like to invite you to a **networking breakfast** alongside the Bio-Europe conference in the British Ambassador's residence in Vienna, Austria.

Don't miss this unique opportunity to learn more about the latest innovations in **life sciences** from the United Kingdom. Mr **Kit Malthouse** (Deputy Mayor for Business and Enterprise in London) will give you an introduction about the latest trends from the **biotechnology sector** in London.

You will be invited afterwards to a delicious networking breakfast where you can meet UK biotechnology companies as well as selected companies from Austria and several European countries. Additionally you will have the opportunity to meet some companies from the **venture capital** sector as they will join the breakfast as well.

Venue:

Residence of the British Ambassador: Metternichgasse 6, 1030 Vienna, Austria.

Please register until **30th October 2013** at the following link:
